

**An opportunity to participate in a research study**

You are invited to participate in a research study at the Sonny Astani Department of Civil and Environmental Engineering at the University of Southern California. The purpose of this study is to test multi sensory response in Immersive Virtual Environments (IVEs). The study will be conducted in Kaprielian Hall Room 241, Sonny Astani Department of Civil and Environmental Engineering at University of Southern California. Your participation is voluntary. You must be 18 years or older to participate.

If you agree to participate, you will be welcomed to an acclimatized virtual office where the initial lighting condition is dimmed. You will be requested to perform generic office tasks, meanwhile you will be able to adjust thermal and visual characteristics of the room. You will also be requested to answer survey questions before and after your experience. The study procedures are anticipated to last no more than an hour). You will wear a head-mounted display for IVE experience. For more information about the study, and to participate please contact:

Gokce Ozcelik  
PhD Student,  
USC, Sonny Astani Department of Civil and Environmental Engineering  
3620 S. Vermont Avenue, Kaprielian Hall 217, Los Angeles, CA 90089-2531  
Tel: 323 915 9113  
Email: gozcelik@usc.edu

Dr. Burcin Becerik-Gerber  
Associate Professor and Stephan Schrank Early Career Chair in Civil and Environmental Engineering  
USC, Sonny Astani Department of Civil and Environmental Engineering  
3620 S. Vermont Avenue, Kaprielian Hall 217, Los Angeles, CA 90089-2531  
Tel: 213 740 4383  
Email: becerik@usc.edu
