How DEN@Viterbi Works

The Viterbi School of Engineering uses a state-of-the-art, proprietary web-based delivery system that enables students from around the world to access classes live or on-demand.

DEN@Viterbi Students:

- View the same lectures as on-campus students, with fresh content every semester
- Participate in highly interactive discussions with professors and peers
- Submit homework electronically
- Take exams at proctored testing centers near their home or work (or at USC if in the Los Angeles area)

My Application ➔ Academic History
Academic History ➔ Colleges Attended

Add all post-secondary educational institutions you have attended, including USC (if Limited Status).

We highly recommend you upload a copy of your university-issued transcript (on institutional letterhead)
Transcript submission is a two-step process:

- Whenever possible, you must upload scanned copies of official transcripts to the online application. Please note that these must be official transcripts printed on university letterhead. Print-outs from online student portals are not acceptable.

- After you submit your application and received your 10-digit USC ID number, you must also mail in official transcripts from all colleges, universities, and other post-secondary institutions you have previously attended.

More Information and additional instructions:

Academic History ➔ Standardized Tests (GRE)

Send your official score reports directly to USC.

USC ETS school code: 4852

If you do not have your scores, you can leave this section blank and USC will refer to your official score report. Do not let this section delay your submission of the application.

**Resumé/Curriculum Vitae:**
There is no ‘right’ approach to structuring your resumé/CV when updating it to apply for graduate school. However, it is a good idea to take some time to identify the skills and achievements you would like to highlight for your graduate program and structure the document accordingly.

You will be required to upload a copy of your resumé/CV as part of your application.

Program Materials
9/11 Sections Completed

Aerospace and Mechanical Engineering [Computational Fluid and Solid Mechanics] [M.S.]
Viterbi School of Engineering
Submit any **supplemental materials** (i.e. letters of recommendation, statement of purpose) that are required by the department.

- For a list of the supplemental materials required for your degree program, please visit individual program pages for details: [http://viterbi.usc.edu/DENDegrees](http://viterbi.usc.edu/DENDegrees)
Program Materials ➞ Evaluation Types

If applying to a program requiring Letters of Recommendation, add the name and information for each recommendation provider in the “Evaluation Types” section.

Once you have saved an electronic evaluation request, an email will automatically be sent to the evaluator on your behalf.

Do NOT wait to submit your application even if your letters have not yet been submitted by your recommenders. This is a separate module of the application. You WILL be able to check the status of letters once the application has been submitted.
DEN@Viterbi Applicants:

Applicants intending to pursue their program online via DEN@Viterbi should complete the ‘Questions’ section in its entirety.

If admitted, this will enable USC Viterbi to send you appropriate information regarding registering as a DEN@Viterbi student.
For any questions following the submission of your application, please contact Viterbi Graduate Admission:

Email: viterbi.gradadmission@usc.edu

When contacting USC, reference your unique 10-digit USC ID number.

Frequently Asked Questions

When will I find out my admission’s decision?

Applications will not be reviewed until all required materials have been submitted.

The length of time it takes for an application to be reviewed varies by department and degree program. After your application package is complete, it is sent to a graduate committee for review. Once a decision is made, an official decision letter will be sent to you.
Frequently Asked Questions

If I am denied admission, can I still take classes via DEN@Viterbi as a Limited Status Student?

Individuals that have been denied admission to a graduate program at the USC Viterbi School of Engineering are no longer eligible to enroll as a Limited Status Student.

If you are denied admission, we do encourage you to reapply for formal admission for a future semester.
