

We're Hiring!

ARE YOU INTERESTED IN HEALTH AND WELL-BEING?

Apply to be a paid Community Health Organizer
at the Office for Health Promotion Strategy!

We are recruiting 4 undergraduate and 4 graduate students to advance health and well-being efforts in our diverse student communities.

Students of all disciplines are encouraged to apply to their area of interest:

Equity & Inclusion

Alcohol and Other Drugs

Mental Health & Thriving

Consent & Healthy Relationships

Community Health Organizers will...

- Receive training on community engagement
- Facilitate student focus groups
- Attend staff working group meetings
