Qualconninnovation fellowship

Qualcomm Research is excited to announce the 2020
Qualcomm Innovation Fellowship which promotes Qualcomm's
core values of innovation, execution and teamwork

Application Areas for Proposals

- Advanced Semiconductor Electronics
- Advances in Communication Techniques and Theory
- Autonomous Driving
- Machine Learning
- Multimedia Computing
- Processor Architecture and Implementation
- Security System Design
- Semiconductor Test, Quality and Yield Learning

Awards

- \$100,000 Fellowship per team
- Collaborate with Qualcomm Researchers
- Travel to Qualcomm Facilities

Application Process

Each team must submit the following items online:

- One page abstract
- Faculty recommending the innovation
- CV of student team members

See <u>QIF website</u> for more details about the program

Application Deadline

December 9, 2019 (10 AM PST)

Announcement of Finalists

March 2020

Finalists' Presentations

April 2020

Announcement of Winners

May 2020

QIF Winners' Day

October 2020

Participating Universities

U.S.A.

California Institute of Technology
Carnegie Mellon University
Columbia University

Cornell University

Georgia Institute of Technology

Massachusetts Institute of Technology

Princeton University
Purdue University
Rutgers University

Stanford University
UC Berkeley

UC Los Angeles UC San Diego

UC Santa Barbara

University of Illinois, Urbana-Champaign University of Maryland, College Park

University of Michigan
University of Southern California
University of Texas at Austin
University of Washington
University of Wisconsin-Madison

Virginia Tech

Canada

University of Montreal University of Toronto
