

COMPUTER SCIENCE, COMPUTER ENGINEERING, AND DATA SCIENCE STUDENTS

**YOU'RE INVITED TO ATTEND A LUNCH & LEARN TALK ON
BIAS IN SEARCH ENGINES AND MACHINE LEARNING
ALGORITHMS.**

**Speakers: Karen Howell, Head of Leavey Library & Steven Cutchin,
Associate Professor of Computer Science, Boise State University**

WHERE: USC Leavey Library, LVL-301 (Ahmanson Lab)

WHEN: November 25, 2019 12:00 noon-1:00 pm

A DELICIOUS LUNCH WILL BE SERVED

REGISTER HERE: bit.ly/AlgorithmBiasLecture

We would like your feedback after the lecture via a short 30 minute one-on-one chat. You will receive a gift card of \$50 if you choose to provide feedback.

The lecture is part of an ongoing cross-institutional study on developing innovative ethics instruction that addresses algorithm bias. The study is funded by a SCLC research grant.
