Hello DEN@Viterbi Students!

The Summer 2024 schedule of classes is available.
- Important dates and deadlines are listed in the registration calendar.
- Review the session code information for specific course start dates and deadlines.

DEN sections have DEN@Viterbi under the location section. For instructions on how to register, here is the link: https://arr.usc.edu/services/registration/webregistration.html#Register

New D-Clearance request system
All DEN@Viterbi courses require departmental clearance (d-clearance) before you can register via the Web Registration system.

Our current d-clearance request form on Desire 2 Learn (D2L) will retire, and all DEN@Viterbi d-clearance requests will be submitted through MyViterbi.

- We will host an information session via Zoom on Tuesday, February 20th, 2024, at 10 am. The session will be recorded and uploaded to the current DEN@Viterbi Student webpage.
Requesting DEN D-Clearance

Registration Information

Registration for the Summer 2024 semester begins on February 28th, 2024. DEN@Viterbi will open d-clearance requests on February 20th, 2024.

We will issue d-clearances on February 28th, 2024, for most departments. Refer to the chart below for detailed information regarding d-clearance issuing dates.

<table>
<thead>
<tr>
<th>Degree Program</th>
<th>DEN D-clearance Issuing Date</th>
</tr>
</thead>
<tbody>
<tr>
<td>For students in AME, ASTE, SAE, BME, CEE, ECE, ISE, and MORK, degree program course requests will start being issued</td>
<td>February 28</td>
</tr>
<tr>
<td>For students who would like to request d-clearance for a non-degree program course in AME, ASTE, SAE, BME, CEE, ECE, ISE, MORK, course requests will start being issued</td>
<td>February 28</td>
</tr>
<tr>
<td>For students in CSCI/DSCI, course requests will start being issued</td>
<td>February 28</td>
</tr>
<tr>
<td>For students not in a CSCI/DSCI degree program, who would like to request a CSCI/DSCI course; requests will start being issued</td>
<td>March 27</td>
</tr>
</tbody>
</table>
D-clearance Issuing Timeline
Our office will process d-clearance requests within 1-2 business days, starting on the DEN d-clearance issuing date in the chart above.

CHECK your account for HOLDS before registration.

Prerequisite Waiver
- If you request D-Clearance for a course but do not have the prerequisites, we cannot give you D-Clearance for the course. Please connect with your academic department for more information.
- Prerequisites can be found in the course descriptions in the University Catalogue or the Schedule of Classes.

Expired D-clearance
D-clearances are valid for 7 business days. After 7 business days, your request will expire, and registration will no longer be possible. You must resubmit your d-clearance request via the D-clearance Request Manager to reinstate your course d-clearance. Course availability is not guaranteed, so we encourage you to register while you have an active d-clearance.

Academic Advisement
Review the registration information that your academic department emailed before registering. If you have questions regarding your degree requirements, please contact your academic department graduate advisor.

Semester Payment
Tuition and class fees are assessed at the time of registration and due when billed, regardless of class start date(s). Please visit the Student Financial Services website for information about the settlement of your student account.

If you have any questions about DEN@Viterbi d-clearances, please email den@vase.usc.edu. Please allow 1-3 business days for an email response. You are also welcome to attend VGASP virtual drop-in hours Monday-Wednesday from 10 am to 12 pm PST: https://viterbigrad.usc.edu/academic-advisement/.

Fight On!
