

Next Steps Checklist

- ☐ Visit the Viterbi Admission and Student Engagement (VASE) website for detailed new student information and direct links: <https://viterbigrad.usc.edu/ms-denviterbi-new-student-information/>
- ☐ Activate your USC Email: https://netid.usc.edu/account_services/activate_account
- ☐ Submit your DEN@Viterbi Profile (<https://viterbi.usc.edu/denprofile>) for access to the DEN@Viterbi Course Management System: <http://courses.uscdcn.net>
 - 3-5 business days after submission, you will receive an email with information on how to:
 - Create a password for the DEN@Viterbi Course Management System (where you will access course content, including webcasts and documents, and submit homework)
 - Request D-Clearances and register for courses
 - Access courses for the Fall 2025 semester
- ☐ Register for and attend the Academic Webinar and department-specific orientations: <https://viterbigrad.usc.edu/ms-denviterbi-new-student-information/>
- ☐ DEN D-Clearance and Course Registration dates and details will be provided after the Academic Webinar sessions. This information will also be available on the following websites:
 - New Student Information: <https://viterbigrad.usc.edu/ms-denviterbi-new-student-information/>
 - DEN@Viterbi Current Student Website: <https://viterbigrad.usc.edu/den-current-students/>
- ☐ Review Homework and Exam Policies for DEN@Viterbi students – provided by DEN@Viterbi Instructional Support Services: <https://viterbigrad.usc.edu/hw-exams/>
 - **DEN@Viterbi Homework Policy:**
Homework assignments for DEN@Viterbi students are due on the same date and time as those for on-campus students. DEN@Viterbi students will submit their homework through the University's learning management system or via designated software programs specified for their course.
 - **DEN@Viterbi Exams Policy:**
The DEN Exams and Instructional Support teams work with DEN@Viterbi students to facilitate their exams, either in person with a local proctor or online, depending on the course requirements. Students will receive detailed instructions directly from their faculty and our DEN Instructional Support & Exams team via email. If you have any questions or concerns, please don't hesitate to contact our DEN Exams team at 213-740-9356 or denexam@usc.edu.

USC Employer Reimbursement Deferment Program

Eligibility Requirements

If you are registered for classes for the upcoming term, you may be eligible to defer payment of up to 90% of your tuition if:

- Your employer reimburses you for tuition at the end of each term.
- Your student account is current.

Note: Loans or any other assistance received will reduce the amount you are eligible to defer.

How to Apply – Online

- Complete and submit the deferment application below. Please email reimbursement approval letter to uscfs@usc.edu, letter must certify current employment. To avoid delay in processing your request, both documents must be sent at the same time.

Reimbursement Deferment Form: <https://sfs.usc.edu/employer-reimbursement-form/>

- Student Financial Services will email you a promissory note packet with instructions.
- Sign and submit the promissory note packet to uscfs@usc.edu or in-person at Jefferson Parking Structure 100.
- The student must pay 10% of tuition, 100% of all fees, and a \$100 application fee, prior to the settlement deadline each term (<https://sfs.usc.edu/deadlines/>). *A new deferment application and company letter are required each term.*

Settlement Deadline

To **avoid late fees**, you must register and have your tuition and fees paid or deferred, or enroll in a payment plan, by 5 p.m. Pacific time on the following date:

- **Fall 2025 term – Friday, August 22, 2025**

Payment of Balance

Payment is due upon expiration of deferment. If not paid, your account will become past due. Deferments expire January 25 for Fall; April 25 for Spring, and September 25 for Summer. The student is responsible for paying the deferred tuition.

USC Student Health Insurance Waiver Information

It is a USC requirement that all online degree program students have a comprehensive health insurance plan. You will be automatically enrolled in the USC Student Health Insurance Plan if you are taking 6 or more units per semester.

Can I waive the USC Student Health Insurance Plan fee if I already have health insurance?

To waive the USC Student Health Insurance Plan, you must be enrolled in a comprehensive health insurance plan that meets the following requirements:

- ✓ Your plan must be a U.S.-based health insurance plan that is filed and approved in the U.S.
- ✓ Online distance learners must have comprehensive coverage with no major exclusions and have in-network providers in the zip code where they live and take classes.
- ✓ Provide continuous year-round coverage while you are a student at the University of Southern California.
- ✓ Your insurance plan must meet the Affordable Care Act (ACA) criteria. Only plans in compliance with ACA criteria will be accepted. (No major exclusions such as maternity or mental health coverage allowed).
- ✓ Cover preventive care services at 100%.
- ✓ Must have no pre-existing condition exclusion; if the plan has a pre-existing condition waiting period, that period has expired.
- ✓ Must have no per-injury or per-illness maximum benefit limits.
- ✓ Must cover medical services for injury from participation in all types of recreational activities or amateur sports.
- ✓ Have an annual combined deductible and out-of-pocket expense of \$8,550 or less.

How do I request a waiver?

Step 1: Register for classes.

You must be **actively registered for classes** for the upcoming/beginning semester before starting the online enrollment/request for waiver process. If you are not registered for classes, you will not be able to request a waiver using the online system.

Step 2: You may need to wait up to 72 hours after registering for classes to have data synchronized between the registration system and the insurance waiver system.

Step 3: Read over [Waiver Requirements](#) to make sure this is the right option for you.

Step 4: Complete your online request for a waiver

- All requests for a waiver must be completed online **by the registered student**. Make sure you have all the required information before starting – data cannot be saved from session to session.
- Have a copy of your **health insurance ID card** and details about your current health insurance plan available for your reference, prior to beginning the waiver request.
- Go to the [Aetna Student Health](#) online waiver request system.
- Complete the waiver request before the deadline (up until the third week of classes).

How often do I need to request a waiver?

Waivers must be submitted annually in the fall semester by the end of the third week of classes. New students admitted for fall admission may submit up until the third week of classes in September. Check the [fees and deadlines page](#) for current details.

The Student Health Insurance Plan Office may contact you to verify proof of coverage. If your external health insurance coverage ends involuntarily—even in the middle of the semester—you may be eligible to purchase coverage through the USC Student Health Insurance Plan. Contact the Health Insurance Office within 30 days (about 4 and a half weeks) of losing your coverage to find out if you are eligible to enroll.

USC Tuition Refund Insurance Information

What is Tuition Refund Insurance?

Tuition Refund Insurance is an optional insurance that students may purchase for a small fee during the fall, spring and summer terms. This insurance covers 85 percent of the tuition and mandatory fees (excluding the student Health Insurance Fee) for the semester if a student withdraws from all classes due to injury, sickness or mental health. USC grants and scholarships are credited back to the university.

How do I enroll or opt out of Tuition Refund Insurance while registering for classes?

By default, at the time you register, Web Registration will enroll you in Tuition Refund Insurance. This will result in a charge equal to approximately .28 of 1 percent of your tuition and mandatory fees, which will be added to your student account.

The student may decline Tuition Refund Insurance up until the 20% deadline of the session (week three for general semester sessions) by clicking on the Tuition Refund Insurance tab in Web Registration, which can be accessed by logging in here: www.usc.edu/webregistration.

How do I enroll or opt out of Tuition Refund Insurance after registering for classes?

Students may opt to purchase or decline Tuition Refund Insurance up until the 20% deadline of session 001, or by the end of week three of the fall and spring semester. For the exact date, please visit the Schedule of Classes at classes.usc.edu and click on the term, then click on Registration Calendar. Students who wish to change their Tuition Refund Insurance setting may do so on Web Registration which can be accessed by clicking the Tuition Refund Insurance tab and following the system prompts here: www.usc.edu/webregistration.

How long is the coverage period?

Tuition Refund Insurance provides coverage for one semester. For instance, insurance purchased for the fall semester covers courses taken only in the fall. The insurance becomes effective at the start of the semester and extends until the end of the final exams period.

How do I file a claim?

If you decide to enroll in Tuition Refund Insurance and need to file a claim, please go to <https://arr.usc.edu/registration-counseling/registration/usc-tuition-refund-insurance-program/> for step-by-step details on how to submit a claim.
